A donkey?

Donkeys are grumps.

A turkey?

Turkeys are too loud.

A phantom dolphin?

It will haunt us and splash us too.

An elephant?

Yes!

Oh no, hang on! The rocket will not launch if an elephant gets on it.

Help, I am stuck.

An elephant might step on my toes as well.

Look down Bob, you do not have toes.

Phew!

Let's construct a pet...

...out of a few bits and bobs.
